Experience

Animal Care Technician

01/2025 - Present

Peachtree Humane Society

Atlanta, GA

Open-admission shelter taking in about 6,000 animals a year.

- Complete intake processing for **25** animals a day, scanning microchips, taking photos and assigning kennels.
- Give DHPP, FVRCP and rabies vaccines under shelter vet protocols, 600+ doses a quarter.
- Perform euthanasia by the approved injection method with a second technician, logging every controlled drug.
- Disinfect 80 kennels each morning, holding upper respiratory cases under 5% of the population.

Kennel Attendant

06/2023 - 12/2024

Decatur Veterinary Clinic

Decatur, GA

Four-doctor small animal practice with boarding.

- Provided animal restraint for 30+ exams and dental cleanings a week.
- Monitored 12 hospitalized patients a shift, reporting vomiting, bleeding or pain to technicians.
- Managed kennel sanitation for 20 runs and the isolation ward.
