

Jordan Hayes

ARCHITECTURAL DESIGNER

📍 Chicago, IL 📞 (312) 555-0174 ✉ jordan.hayes@email.com 🌐 linkedin.com/in/jordanhayes

— SUMMARY

Architectural designer with 3 years of experience on mixed-use, hospitality and adaptive reuse projects in Chicago. Takes a design from Rhino and SketchUp studies to Revit models and construction sets, with renderings in Enscape and boards in Adobe Creative Suite. Brings clear communication skills to client meetings and design reviews.

— SKILLS

Other Skills: Revit, AutoCAD, Rhino, SketchUp, Enscape, Adobe Creative Suite, Bluebeam, Building Codes, Communication Skills, Attention to Detail

— EXPERIENCE

Architectural Designer

07/2023 - Present

Lakeshore Form Architects

Chicago, IL

60-person firm working on hotels, mixed-use buildings and adaptive reuse.

- Design facade and lobby options for a **220**-key hotel conversion, modeling 6 schemes in Rhino and Revit.
- Produce Enscape renderings and Adobe Creative Suite presentation boards for 10+ client meetings a year.
- Develop design development and CD sheets in Revit and AutoCAD for a 95-unit mixed-use building.
- Check building codes and zoning for 4 projects, logging findings in a code matrix the project architect uses.

Architecture Intern

06/2022 - 08/2022

Pilsen Workshop Architects

Chicago, IL

Summer internship at a neighborhood housing and community design studio.

- Built SketchUp massing models for 3 neighborhood housing proposals.
- Marked up consultant sets in Bluebeam and tracked open comments for the project team.
- Drafted 25 interior elevations in AutoCAD for a restaurant buildout.
