EXPERIENCE

Associate Athletic Trainer

06/2023 - Present

Bluegrass Commonwealth University

Lexington, KY

NCAA Division I athletics department with 22 sports.

- Manage year-round medical care for a **16**-player men's basketball roster, including travel coverage for 30+ road games.
- Coordinate physician, imaging and surgical referrals, cutting average time to a specialist visit from 6 days to 3.
- Conduct baseline testing for 480 athletes each fall as part of the department's concussion management protocol.
- Mentor 4 graduate assistants and 10 athletic training students during their clinical rotations.

Assistant Athletic Trainer

07/2020 - 05/2023

Ohio Valley College

Huntington, WV

NCAA Division II college with 15 varsity sports.

- Provided primary coverage for women's soccer and volleyball, about 60 athletes across 2 overlapping seasons.
- Designed return-to-play rehabilitation for 3 ACL reconstructions, clearing each athlete on schedule.
- Documented evaluations and daily treatments in the EMR, passing 2 compliance audits with no HIPAA findings.
