SUMMARY

Associate dentist with 2 years in private practice after a one-year general practice residency, seeing 14-16 patients a day in Charlotte. Provides comprehensive general dentistry, from exams and treatment planning to restorative dentistry and simple oral surgery. Uses CBCT and CEREC daily and explains options in plain words so patients accept care.

EXPERIENCE

Associate Dentist

07/2024 - Present

Lakeside Family Dental — Charlotte, NC

Four-doctor general practice with 9 operatories and about 5,500 active patients.

- Examine and treat 14-16 patients a day, producing **$780K** in 2025 across exams, fillings, crowns and extractions.
- Design same-day crowns with CEREC, cutting second visits for 300+ single-unit restorations since 2024.
- Present treatment plans with intraoral photos and CBCT scans, lifting case acceptance from 58% to 71%.
- Perform simple and surgical extractions in-house, referring only impacted molars and complex cases to the oral surgeon.
- Coach 2 dental assistants on four-handed dentistry and infection control, passing the 2025 OSHA review with no findings.

General Practice Resident

07/2023 - 06/2024

Carolina Regional Medical Center — Charlotte, NC

Hospital-based general practice residency serving uninsured, medically complex and emergency patients.

- Completed 1,100+ procedures, including root canals, partial dentures, extractions and restorative dentistry for medically complex patients.
- Covered 40 hospital on-call shifts for dental trauma and facial infections alongside the oral surgery team.
- Consulted with physicians on anticoagulated and cardiac patients before treatment, with zero bleeding complications.
