SUMMARY

Audiology technician with 1.5 years in a busy ENT audiology clinic in San Diego, preparing 30+ patients a day for audiologists. Performs hearing screenings, otoscopy, tympanometry and earmold impressions, and handles hearing aid repairs. Compassionate with older patients, with strong written and verbal communication skills.

EXPERIENCE

Audiology Technician

04/2025 - Present

Coastal ENT & Hearing

San Diego, CA

ENT group with 6 physicians and 3 audiologists.

- Process **30+** patient check-ins a day, taking case histories and completing otoscopy before each exam.
- Perform hearing screenings and tympanometry for 12 ENT patients a day, cutting physician wait time by 10 minutes.
- Complete 15 earmold impressions a week and ship orders to 3 labs with tracking.
- Handle in-office hearing aid repairs, fixing 70% of 40 weekly walk-ins without a manufacturer send-out.

Medical Receptionist

06/2024 - 03/2025

Mission Valley Family Medicine

San Diego, CA

Family medicine clinic with 5 providers.

- Checked in 60+ patients a day and confirmed insurance details in Epic.
- Answered 80 calls a day, booking visits and routing clinical questions to nurses.
- Updated patient records and sent 25 referrals a week with accurate notes.
