Experience

Auto Glass Technician

04/2023 - Present

Wasatch Mobile Glass

Salt Lake City, UT

Mobile and in-shop auto glass company with 14 service vans.

- Install **6-8** windshields a day at customer homes and workplaces, with a leak comeback rate under 0.5%.
- Perform static and dynamic ADAS calibration after each camera-equipped install, about 60 vehicles a month.
- Complete rock chip repair, door glass and back glass jobs, closing work orders with photos on tablet-based technology.
- Review urethane cure and safe drive-away times with customers, holding a 4.9-star rating across 400+ reviews.

Auto Glass Installer

06/2021 - 03/2023

Beehive Auto Glass

Ogden, UT

Auto glass shop with 4 bays and 3 mobile vans.

- Replaced 20+ windshields a week in the shop, including moldings, cowls and rain sensors.
- Repaired 15 rock chips a week with resin injection, saving customers a full replacement.
- Maintained mobile service van stock of glass, urethane and primers, cutting missing parts on arrival to 2%.
