Victor Huang

Automotive Painter

victor.huang@email.com (407) 555-0193 Orlando, FL linkedin.com/in/victorhuang

Summary

Automotive painter with 6 years in collision refinishing, painting 25-30 repairs a week in a downdraft booth. Strong in waterborne basecoat, clearcoat application, color matching with a spectrophotometer and blending, and follows shop safety protocols to meet deadlines without comebacks.

Experience

Automotive Painter

01/2023 - Present

Conway Road Collision

Orlando, FL

Collision center handling 120 repair orders a month.

- Deliver **25-30** refinished repairs a week from sealer through clearcoat, with a comeback rate under 1%.
- Handle color matching with a spectrophotometer, spray-out cards and blending on tri-coat pearls.
- Operate the waterborne basecoat mixing system and scale, cutting paint waste by 12% in one year.
- Complete color sanding and polishing after cure, meeting promised delivery dates on 95% of jobs.

Paint Prepper

08/2020 - 12/2022

Lake Underhill Auto Body

Orlando, FL

Independent body shop with 1 downdraft spray booth.

- Prepped **15** vehicles a week with featheredging, block sanding and sealer.
- Masked jambs, trim and glass on 15 cars a week and sprayed primer surfacer for the lead painter.
- Followed safety protocols for supplied-air respirators, isocyanates and booth fire rules.
- Learned problem-solving skills by tracing dirt, fisheyes and solvent pop, cutting redo panels by 30%.
