EXPERIENCE

Audio Technician

01/2023 - Present

Broadway Sound & Stage

Nashville, TN

Live sound and event production company.

- Run front-of-house and monitor mixes on digital consoles for **120+** events a year.
- Build Dante networks for stage boxes, recorders and broadcast feeds, cutting patch time by 40%.
- Coordinate RF for up to 48 wireless microphones and in-ear channels per show with zero dropouts.
- Track gear lists, frequency plans and repair tickets in Excel for 1,500 inventory items.

A2 Audio Assistant

08/2021 - 12/2022

Riverside Worship Center

Franklin, TN

Church with weekly services of 2,500 people.

- Placed and tested 20+ microphones each Sunday for services of 2,500 people.
- Set EQ and gain structure for a 40-input band with attention to detail, cutting feedback complaints to zero.
- Trained 8 volunteers on signal flow and console basics.
- Recorded 50 multitrack services a year for online streaming, delivering mixes within 24 hours.

Student Audio Technician

08/2019 - 05/2021

Belmont University

Nashville, TN

Part-time crew job for campus concerts and events.

- Mixed monitors for 40 student recitals and showcases a year on a digital console.
- Patched and tested stage inputs for 25-piece ensembles before each sound check.
- Repaired 100+ XLR cables a semester in the campus audio shop.
