SUMMARY

Behavior Coach with 5 years in K-8 schools and ABA settings, the last 3 coaching teachers and supporting students with behavior needs across a Denver charter network. Runs PBIS and Tier 2 interventions such as Check-In/Check-Out, writes behavior support plans with families and turns behavior data into clear next steps for school teams.

EDUCATION

Bachelor of Arts

05/2021

University of Colorado Denver
Psychology

Denver, CO

EXPERIENCE

Behavior Coach

08/2023 - Present

Front Range Academy Network

Denver, CO

Charter network of 4 K-8 schools serving about 2,100 students.

- Coach **18** teachers on classroom management and PBIS routines, cutting office referrals 32% at one campus.
- Run Check-In/Check-Out for 45 Tier 2 students, with 70% meeting daily point goals within 8 weeks.
- Write behavior support plans with families and the school psychologist for 12 Tier 3 students each year.
- Present monthly behavior data trends from Google Sheets to the MTSS team at each school.

Behavior Technician

06/2021 - 07/2023

Rocky Mountain ABA

Aurora, CO

Clinic and school-based ABA provider for children with autism.

- Delivered 1:1 ABA therapy to **4** children ages 4-11 in school and clinic settings, about 30 hours a week.
- Implemented behavior intervention plans and recorded session data, with 100% of notes submitted within 24 hours.
- Modeled visual supports and reinforcement systems for 5 classroom teachers working with clients.
- Trained 3 new behavior technicians on data collection and safe de-escalation.

Respite Care Worker

09/2019 - 05/2021

Mile High Family Supports

Denver, CO

Part-time in-home respite for families of children with disabilities while in college.

- Supported **4** children with autism and ADHD in their homes, about 10 hours a week.
- Followed each child's behavior plan and visual schedule, and logged notes for parents after 250+ visits.
- Practiced social and safety skills on 2 community outings a month, such as waiting in line and crossing streets.
