EXPERIENCE

Behavior Interventionist 08/2024 - Present

Capitol Kids Behavioral Services — Sacramento, CA

ABA provider serving about 150 children with autism across Sacramento County.

- Deliver 25 hours a week of one-on-one ABA sessions to **4** children aged 3 to 9 at home and school.
- Implement behavior intervention plans written by the BCBA, cutting one client's daily aggression from 12 incidents to 3.
- Record trial-by-trial data in CentralReach and submit session notes within 24 hours for 100% of visits.
- Apply crisis intervention steps from Safety-Care training during escalations, with no injuries in 14 months.

Special Education Instructional Aide 09/2022 - 06/2024

Sunrise Oaks Elementary School — Citrus Heights, CA

Part-time classroom aide role held while finishing a psychology degree.

- Supported 8 students with IEPs in a special day class during reading and math blocks.
- Led social skills groups of 3 to 4 students twice a week during lunch recess.
- Tracked behavior data on 5 students for the school psychologist's functional behavior assessments.
