Summary

Behavior Technician with 1 year of ABA therapy for children with autism and 2 years of childcare experience working with children ages 3-10. Follows BCBA treatment plans, handles data collection on a tablet in every session and communicates clearly with parents and teachers. RBT certified and CPR trained, with a valid Ohio driver's license and reliable car.

Experience

Behavior Technician 09/2025 - Present

Buckeye Autism Partners Columbus, OH

In-home and clinic ABA provider serving about 150 families in central Ohio.

- Deliver 1:1 ABA therapy to 4 children ages 3-8, averaging 28 session hours a week in homes and the clinic.
- Run discrete trial training and play-based skill acquisition programs from BCBA plans, with 22 targets mastered since 01/2026.
- Record frequency, duration and ABC data in each session, with 98% of session notes approved on first review.
- Update parents after each visit on goals and behavior reduction strategies, and attend 2 BCBA supervisions a month.

Assistant Teacher 08/2023 - 08/2025

Little Acorns Learning Center Worthington, OH

Childcare center for about 120 children ages 6 weeks to 5 years.

- Supervised a classroom of 12 preschoolers with a co-teacher, following state ratios and daily lesson plans.
- Supported 2 children with IEPs through transitions using visual schedules from their speech and OT providers.
- Tracked meals, naps and incident reports in the parent app for 12 families each day.
- Planned art, circle-time and outdoor activities weekly, helping lift parent survey scores to 4.7 of 5.
