

Tyler Washington

Behavioral Interventionist

Sacramento, CA · (916) 555-0129 · tyler.washington@email.com · linkedin.com/in/tylerwashington

SUMMARY

Behavioral Interventionist with 4 years supporting K-8 students with autism and behavior needs in public school classrooms around Sacramento. Implements behavior intervention plans, collects data for functional behavior assessments and de-escalates crises with CPI methods. Keeps student records confidential and works closely with teachers, families and the supervising BCBA.

EXPERIENCE

Behavioral Interventionist 07/2022 - Present
Capital Valley Behavior Services Sacramento, CA

Agency placing behavior staff in special education programs across 14 school districts.

- Implement behavior intervention plans for **3** students in grades K-5, about 30 classroom hours a week.
- Collect ABC, frequency and interval data for 12 functional behavior assessments written by the BCBA.
- Apply CPI de-escalation steps during crises, cutting physical holds for one student from 9 a month to 1.
- Lead weekly social skills groups for 6 students on turn-taking, asking for help and handling losing.

Instructional Aide 08/2020 - 06/2022
American River Learning Academy Rancho Cordova, CA

Nonpublic school for students with autism and emotional disturbance.

- Supported **9** students in a grades 3-6 classroom with IEP goals in reading, math and behavior.
- Ran token economies and positive behavior supports, raising on-task time from 55% to 75% in one semester.
- Documented incidents the same day and kept all student files confidential under FERPA rules.
- Covered recess and bus duty for 40 students and met with teachers each Friday on behavior trends.

Youth Program Leader 09/2019 - 06/2020
Oak Park Community Center Sacramento, CA

After-school program for children ages 6-12.

- Led homework help and games for a group of **15** children each afternoon.
- Settled conflicts between children calmly and logged notes for parents at pickup.
- Planned 3 themed activity blocks a week, keeping daily attendance above 90%.
