Psychology

SUMMARY

Behavioral Therapist and RBT with 2 years of in-home and clinic applied behavior analysis for children with autism and developmental delays. Brings strong communication skills with parents, calm crisis intervention under pressure, and reliable session data that BCBAs use to adjust treatment plans.

EXPERIENCE

Behavioral Therapist

03/2024 - Present

Bayou City Autism Therapy

Houston, TX

Clinic and in-home ABA provider with 40 therapists across west Houston.

- Deliver 30 weekly hours of ABA therapy to 5 clients aged 2 to 7, logging session notes in Catalyst daily.
- Teach communication, play and daily living skills with discrete trial training, with clients mastering 46 goals in 2025.
- Manage crises with de-escalation and crisis intervention steps from each behavior plan, with zero restraints used.
- Coach parents during 10 in-home sessions a week, using interpersonal skills to keep new routines going between visits.

Child Development Aide

06/2022 - 02/2024

Little Oaks Learning Academy

Houston, TX

Part-time preschool classroom role held during college.

- Led circle time and play centers for a class of 14 children aged 3 and 4.
- Partnered with 2 lead teachers on visual schedules for 3 children with speech delays.
- Documented daily progress notes for 14 families through the school's parent app.
