SUMMARY

Cabinet Installer with 6 years of in-home install work across the Phoenix Valley, the last 3 as an installer for a cabinet showroom. Levels, fastens and adjusts cabinets to tight tolerances with basic hand tools and power tools, and communicates with customers from first measure to final walkthrough. Valid Arizona driver's license.

EXPERIENCE

Cabinet Installer

04/2023 - Present

Desert Sky Cabinetry — Phoenix, AZ

Cabinet showroom installing about 300 kitchens a year across the Valley.

- Install 3-4 kitchens a week, leveling and shimming cabinets to within 1/16 inch over a 12-foot run.
- Install hardware, soft-close hinges and drawer slides, then adjust doors so reveals stay even across each wall.
- Present each finished kitchen to the homeowner, holding customer satisfaction at **4.8** of 5 on 140 surveys.
- Measure rooms and check layout drawings before demolition, catching 20+ order errors before cabinets shipped.

Installer Helper

08/2021 - 03/2023

Valley Home Remodeling — Mesa, AZ

Kitchen and bath remodeler with 5 install crews.

- Unloaded, inspected and staged cabinets for **150+** installs, logging damaged boxes for replacement.
- Cut fillers, scribe molding and toe kicks with basic hand tools and power tools for the lead installer.
- Installed crown molding and light rail on 40 kitchens after the boxes were set and fastened.
- Protected floors and countertops during each install, with no customer damage claims in 19 months.

Delivery and Install Helper

06/2020 - 07/2021

Saguaro Appliance & Furniture — Glendale, AZ

Appliance and furniture store with in-home delivery.

- Delivered and installed **12-15** appliances a day, including dishwashers, ranges and over-the-range microwaves.
- Leveled washers, fridges and freestanding furniture on uneven floors so doors and drawers closed properly.
- Explained setup and care to customers at each stop, with fewer than 2 complaints a month across 3 trucks.
