Megan O'Sullivan

CARDIOLOGY PHYSICIAN ASSISTANT

Cleveland, OH (216) 555-0124 megan.osullivan@email.com linkedin.com/in/meganosullivanpa

SUMMARY

Cardiology physician assistant with 4 years across a cardiac step-down unit and a cardiology group covering clinic, hospital consults and a heart failure program. Handles ECG interpretation, stress testing, heart failure management and anticoagulation, and directs treadmill stress tests 2 days a week. NCCPA-certified, Ohio-licensed and current in ACLS.

SKILLS

ECG Interpretation • Stress Testing • Heart Failure Management • Anticoagulation • Echocardiograms • Telemetry
Cardiac Rehab • ACLS • Epic • Communication

EXPERIENCE

Cardiology Physician Assistant 01/2024 - Present
Cuyahoga Heart & Vascular Cleveland, OH
Cardiology group of 14 physicians with a hospital consult service and outpatient heart failure clinic.

- See **18-20** clinic patients a day for chest pain, arrhythmia, valve disease and heart failure follow-up.
- Run the heart failure clinic for 260 patients with 2 nurses, cutting 30-day readmissions from 21% to 14%.
- Direct 10-12 treadmill and nuclear stress tests a week and write preliminary reports for the cardiologist.
- Review 8-10 hospital consult patients each morning, including ECGs, echocardiograms and troponin trends.
- Manage anticoagulation for 300 atrial fibrillation patients, keeping over 70% of warfarin INRs in range.

Physician Assistant 08/2022 - 12/2023
Lake Erie Medical Center Cleveland, OH
Cardiac step-down unit of a 400-bed teaching hospital.

- Managed **10-12** telemetry patients a day after heart attacks, cardiac caths and device implants.
- Interpreted rhythm strips and 12-lead ECGs, calling rapid responses on 3-4 patients a month.
- Prepared discharge plans with cardiac rehab referrals for about 35 patients a month.
- Taught nurses a 6-session telemetry rhythm course attended by 40 staff.
