Summary

Second-year Carpenter Apprentice with 2 years on commercial jobsites in Portland, building concrete formwork and metal stud framing under journeyman carpenters. Reads blueprints for layout, uses hand tools and power tools safely and has strong communication skills on mixed-trade crews. Enrolled in a state-registered carpentry apprenticeship with 2,200 logged hours.

Experience

Carpenter Apprentice

Willamette Commercial Builders — Portland, OR — 07/2024 - Present

Commercial general contractor; second-year apprentice in a registered carpentry program.

- Build wall and column formwork on 2 concrete parking structures, setting ties and bracing for **30+** pours.
- Install metal stud framing for walls and soffits on a 90,000 sq ft medical office building under a journeyman carpenter.
- Measure and snap layout from blueprints with a laser level, checking dimensions and 40+ door openings per floor.
- Logged 1,900 on-the-job hours and 300 classroom hours in blueprint reading, rigging and jobsite safety.

Landscape Crew Member

Rose City Landscaping — Portland, OR — 07/2021 - 06/2024

Residential landscaping company with 6 crews.

- Built **25** cedar fences, retaining walls and raised garden beds from site sketches and measurements.
- Operated a mini skid steer and power tools to grade sites and set fence posts in concrete.
- Explained the day's plan and finished work to homeowners on 150+ jobs, often without a lead on site.
- Trained 3 new crew members on equipment safety, trailer loading and tool care during the 2023 season.
