SUMMARY

Registered dietitian and certified diabetes care and education specialist with 9 years of clinical experience in hospital and outpatient diabetes programs. Teaches insulin starts, carbohydrate counting and CGM use to adults with type 1, type 2 and gestational diabetes. Runs an ADA-recognized program with about 1,100 patient visits a year.

EXPERIENCE

Certified Diabetes Educator

03/2021 - Present

Lakeshore Endocrine & Diabetes Clinic

Minneapolis, MN

Outpatient endocrinology clinic with 6 physicians and 3 diabetes educators.

- Lead the diabetes self-management education program, with **1,100** individual and group education visits a year.
- Train patients on insulin pumps and continuous glucose monitoring, starting about 15 new devices a month.
- Teach carbohydrate counting and insulin dose adjustment; average A1C fell 1.4 points at 6 months in 2025.
- Mentor 4 dietetic interns a year and coach clinic nurses on national diabetes education standards.

Clinical Dietitian

06/2017 - 02/2021

Mississippi Valley Medical Center

St. Paul, MN

350-bed teaching hospital.

- Provided medical nutrition therapy to 18 inpatients a day on cardiac, renal and endocrine units.
- Started an inpatient insulin teaching consult that reached 600 newly diagnosed patients in two years.
- Wrote gestational diabetes meal plan handouts in English, Somali and Spanish for the women's unit.
- Charted nutrition assessments in Epic, meeting the 24-hour documentation standard 98% of the time.
