SUMMARY

Certified Medication Aide with 6 years in long-term care, the last 3 passing medications to 38 assisted living residents per round. Accurate with medication administration, eMAR charting and controlled substance counts, and handles resident records under HIPAA with attention to detail.

SKILLS

Medication Administration • eMAR • Controlled Substance Counts • HIPAA • Vital Signs • Blood Glucose
Medication Refills • Basic Computer Skills • Attention to Detail • Customer Service

EXPERIENCE

Certified Medication Aide (CMA)

01/2023 - Present

Prairie Rose Assisted Living

Oklahoma City, OK

- Administer scheduled and PRN oral, topical and inhaled medications to **38 residents** per round using the 5 rights.
- Chart doses, refusals and PRN results in the eMAR, passing 6 consecutive pharmacy consultant reviews without a finding.
- Manage medication refills 5 days before cards run out, cutting late pharmacy deliveries from 7 a month to 1.
- Check vital signs and blood glucose before hold-parameter medications, deciding independently when to call the nurse.

Certified Nursing Assistant

06/2021 - 12/2022

Crossroads Nursing Center

Edmond, OK

- Provided bathing, dressing, toileting and feeding care for 13 residents per shift on a long-term care hall.
- Protected resident privacy under HIPAA when sharing updates with families by phone or at the bedside.
- Recorded meal intake and weights for 13 residents using basic computer skills on the facility charting system.
- Coached 6 new aides through their first 3 shifts, modeling the customer service that kept family complaints low.

Medication Room Assistant

09/2020 - 05/2021

Crossroads Nursing Center

Edmond, OK

- Counted controlled substances with the night nurse at each shift change, with zero unresolved counts in 9 months.
- Received pharmacy totes twice a week and checked every card against the order list before stocking the carts.
- Filed 200 or more medication records a month in resident charts, keeping them locked and confidential.
