# Kevin Huang

CERTIFIED PROFESSIONAL CODER

Sacramento, CA • (916) 555-0172 • kevin.huang@email.com • linkedin.com/in/kevinhuang

## Summary

Certified Professional Coder with nearly 6 years of outpatient and E/M coding for cardiology and internal medicine. Codes about 95 encounters a day at 97% audit accuracy, applies CMS and AAPC coding guidelines to modifiers and medical necessity, and works well on remote teams with little supervision.

## Skills

- CPT
- ICD-10-CM
- HCPCS Level II
- Coding Guidelines
- E/M Coding
- Medical Terminology
- Anatomy and Physiology
- Epic
- Microsoft Excel
- Work Independently

## Experience

**Certified Professional Coder** 05/2023 - Present

Delta River Medical Group Sacramento, CA

*Remote coder for a 200-provider group's cardiology and internal medicine service lines.*

- Code **95** E/M visits, echocardiograms and cath lab procedures a day in Epic, holding 97% on quarterly audits.
- Apply coding guidelines to modifier 25 and 59 use, reducing payer edits on those claim lines by 22%.
- Handle 20 provider coding questions a week by secure message, citing the CPT or ICD-10-CM rule behind each answer.
- Build Microsoft Excel denial reports by payer and CPT code that the billing office uses to set appeal priorities.

**Medical Coder** 01/2021 - 04/2023

Sierra Foothills Internal Medicine Roseville, CA

*Coder and charge reviewer for an 18-provider internal medicine practice.*

- Assigned ICD-10-CM, CPT and HCPCS Level II codes to 70 encounters a day, including injections and supplies.
- Reviewed chart notes for medical necessity, using anatomy and physiology and medical terminology to code specific diagnoses.
- Lowered coding denials from 7% to 3.5% over 18 months by fixing diagnosis pointer and modifier errors.
- Met a 48-hour charge lag target while working from home 4 days a week.
