EXPERIENCE

Chiropractic Technician 09/2024 - Present

Willamette Spine & Rehab Portland, OR

Clinic with 3 chiropractors and a massage therapist seeing 220 visits a week.

- Perform ultrasound therapy, electrical muscle stimulation and mechanical traction for about **35** patients a day.
- Operate the spinal decompression table for 12 disc patients a day and log the settings for each session.
- Coach therapeutic exercise and stretching in the rehab area, raising home program follow-through to 70%.
- Complete X-ray positioning and patient charting for the doctors' review, about 20 studies a week.

Personal Trainer (Part-Time) 09/2022 - 06/2024

Beaver Creek Fitness Corvallis, OR

Fitness club with 1,500 members near campus.

- Coached 20 clients a week on strength, mobility and injury-safe lifting.
- Designed 50 beginner programs that new members used during their first 8 weeks.
- Taught 3 weekly core and mobility classes for groups of 15 members.
- Applied kinesiology taping for 2 club running teams before weekend races.
