EXPERIENCE

Clinical Liaison

05/2023 - Present

Scioto Rehabilitation Hospital

Columbus, OH

Admissions liaison for a 60-bed inpatient rehabilitation hospital.

- Complete clinical assessments of 70 referred patients a month at 6 acute care hospitals.
- Raised monthly admissions from 48 to 63 with referral development plans built with case managers.
- Present rehab criteria in-services to 25 hospital teams a year, using presentation skills and outcome data.
- Record every contact in the CRM and review referral conversion trends weekly with the admissions director.

Registered Nurse, Medical-Surgical

06/2020 - 04/2023

Olentangy Valley Hospital

Columbus, OH

Staff and charge nurse on a 36-bed medical-surgical unit.

- Managed care for 5 to 6 medical-surgical patients a shift, including stroke and joint replacement patients.
- Coordinated discharge planning with case managers for 30 patients a week, cutting discharge delays 20%.
- Documented assessments in electronic health records and served as charge nurse 2 shifts a week.
- Taught 300+ patients and families about home care and rehab options before discharge.
