Summary

Clinical pharmacy manager with 11 years in hospital practice, leading 16 clinical pharmacists across critical care, oncology, cardiology and internal medicine at a 600-bed hospital. Board certified in pharmacotherapy and critical care, with strong experience in formulary management, medication safety and clinical program growth tied to cost and outcome results.

Experience

Clinical Pharmacy Manager

01/2022 - Present

Chesapeake General Hospital Baltimore, MD

Lead the clinical pharmacy team at a 600-bed teaching hospital.

- Lead 16 clinical pharmacists, raising intervention documentation from 9,000 to **21,000** a year.
- Direct formulary management for the Pharmacy and Therapeutics Committee, saving $1.8M through 14 therapeutic interchanges.
- Build 5 pharmacist-driven protocols for renal dosing, IV-to-PO and anticoagulation, all approved by the medical staff.
- Track medication safety events with the quality team, cutting high-alert drug errors 35% over 3 years.

Clinical Pharmacist, Critical Care

07/2016 - 12/2021

Harbor Point Medical Center Baltimore, MD

ICU clinical pharmacist at a 450-bed hospital.

- Partnered with 3 ICU teams on daily rounds, with **94%** of 4,000 yearly recommendations accepted.
- Developed a sedation and delirium protocol that cut ventilator days by 1.2 per patient.
- Precepted 10 PGY1 residents and 24 students on critical care rotations.

PGY1 Pharmacy Resident

07/2015 - 06/2016

Severn Medical Center Annapolis, MD

ASHP-accredited PGY1 residency.

- Completed **11** rotations and a medication safety project on inpatient insulin dosing.
- Covered 24 weekend central pharmacy shifts verifying orders and IV preparations.
- Presented 3 formulary reviews to the Pharmacy and Therapeutics Committee, with 2 approved.
