Luis Ortega

COMMERCIAL ROOFER

Phoenix, AZ (602) 555-0126 luis.ortega@email.com linkedin.com/in/luisortega

SUMMARY

Commercial Roofer with 5 years installing single-ply and built-up commercial roofing systems on warehouses, schools and retail centers across the Phoenix valley. Welds TPO and PVC, adheres EPDM, and repairs BUR and modified bitumen from tear-off to final flashing. Works independently on small repairs and holds an OSHA 30 card.

SKILLS

TPO • EPDM • PVC • BUR • Commercial Roofing Systems • Hot-Air Welding • Modified Bitumen • Hand Tools
Fall Protection • Tear-Off

EXPERIENCE

Commercial Roofer 05/2023 - Present

Saguaro Commercial Roofing Tempe, AZ

Commercial roofing contractor with 14 crews on new construction and reroof projects.

- Install 60-mil TPO membrane with hot-air welding equipment on **1.2 million** square feet of distribution center roofs.
- Build tapered polyiso insulation and cover board systems on 22 reroof projects, holding slope to drains within spec.
- Verify every seam with a probe each evening and repair voids, passing all 22 manufacturer warranty inspections.
- Complete PVC and TPO flashing details on curbs, parapets and more than 300 rooftop units.

Roofer 08/2021 - 04/2023

Desert Ridge Roofing Mesa, AZ

Reroof and repair contractor for schools, churches and strip centers.

- Removed failed BUR and gravel on 15 school roofs over summer breaks, finishing before classes resumed.
- Adhered EPDM and modified bitumen on 40 small commercial roofs using hand tools, rollers and torches.
- Tied off to anchors and guardrails under fall protection plans with no lost-time injuries in 20 months.
- Cleared drains and replaced 70 scuppers and leader heads during monsoon repair calls.

Construction Laborer 06/2019 - 07/2021

Valley Builders Group Phoenix, AZ

General contractor for tilt-up warehouses and office buildings.

- Staged roofing rolls, insulation and fasteners on 6 tilt-up warehouse projects with a rough-terrain forklift.
- Built and stripped concrete forms for footings and slabs on 4 office buildings.
- Swept decks and set perimeter guardrails ahead of the roofing crews on 10 projects.
