SUMMARY

Concrete Foreman with 12 years in concrete construction and 6 years of crew leadership on flatwork, foundations and tilt-up across Central Florida. Plans concrete forming and concrete placement from the drawings, runs crews of 8 to 15, and keeps pours safe, on grade and on schedule. Holds an OSHA 30 card and ACI field testing certification.

SKILLS

Leadership • Concrete Placement • Concrete Forming • Flatwork • Finishing Techniques • Concrete Construction Blueprint Reading • Crew Scheduling • OSHA Safety • Communication

EXPERIENCE

Concrete Foreman 02/2020 - Present

Sunbelt Structural Concrete Orlando, FL

Commercial concrete subcontractor with $45M in annual work on distribution centers and schools.

- Lead crews of 8 to 15 on **38** projects, placing up to 1,200 cubic yards in a single slab pour.
- Plan crew scheduling and pour sequences from blueprint reading, finishing 90% of pours on the scheduled day.
- Conduct daily safety talks and silica controls, with 0 recordable injuries on the crew since 2022.
- Coordinate pumps, labs and inspectors through daily communication with the superintendent, avoiding $85,000 in delays.

Lead Concrete Finisher 03/2016 - 01/2020

Lake Nona Concrete Co. Kissimmee, FL

Flatwork and foundation contractor for residential and retail developers.

- Directed a 6-person flatwork crew on 900 house slabs and 40 retail pads using standard finishing techniques.
- Trained 12 laborers to run power trowels, edgers and screeds over 4 years.
- Solved drainage and elevation problems on site, cutting rework on parking lots by about 30%.
- Tracked timecards, concrete tickets and material use in the company's daily reporting app.

Concrete Finisher 06/2014 - 02/2016

Orange County Paving & Concrete Orlando, FL

Site concrete contractor for curbs, sidewalks and parking lots.

- Finished 15 miles of curb, gutter and sidewalk on county road projects.
- Placed and finished 50 dumpster pads and ADA ramps to city inspection standards.
- Operated a power buggy and laser level on 20 parking lot pours.
