Miguel Santos

Concrete Laborer

Las Vegas, NV • (702) 555-0128 • miguel.santos@email.com
linkedin.com/in/miguelsantos

SUMMARY

Concrete Laborer with 18 months on commercial and residential concrete crews in Las Vegas, setting forms, tying rebar and placing concrete. Lifts 80-pound loads, works long shifts in desert heat, and is quick to follow instructions from finishers and foremen. Holds a valid Nevada driver license and an OSHA 10 card.

EDUCATION

High School Diploma 05/2023

Rancho High School Las Vegas, NV

EXPERIENCE

Concrete Laborer 04/2025 - Present

Silver State Concrete Las Vegas, NV

Commercial concrete contractor placing foundations, slabs and site work for casinos, schools and warehouses across Clark County.

- Handle concrete placement on **3** to 4 pours a week, raking and shoveling up to 200 cubic yards per pour.
- Complete rebar tying and chair placement on 25 slabs and footings, passing every special inspection.
- Build and strip footing and curb formwork with hand tools and power tools, leaving an organized job site.
- Operate a jackhammer and concrete saw to remove 1,500 square feet of damaged slab on 2 tenant remodels.

Landscape Laborer 05/2023 - 03/2025

Desert Bloom Landscaping Henderson, NV

Residential landscape and hardscape company with 8 crews in Henderson and Summerlin.

- Installed 60 paver patios and block garden walls as part of a 4-person crew.
- Mixed and poured 15 concrete mow strips and pads using a portable mixer.
- Loaded 10 tons of rock and gravel a day by wheelbarrow and skid steer for walls and dry riverbeds.
- Supported crew teamwork by staging tools, water and shade before 5 a.m. summer starts on 3-day jobs.
