Ricardo Fuentes

Construction Laborer

ricardo.fuentes@email.com (713) 555-0187 Houston, TX linkedin.com/in/ricardofuentes

SUMMARY

Construction laborer with 2 years on Houston commercial and residential sites, covering material handling, trenching for plumbing rough-in, concrete work and site cleanup. Runs hand and power tools, jackhammers and a forklift, and has passed 2 drug screens and background checks. Holds OSHA 10 and a valid Texas driver's license and lifts 50 pounds all shift.

EXPERIENCE

Construction Laborer

01/2025 - Present

Bayou City Contractors

Houston, TX

Laborer for a commercial general contractor on medical office and school projects.

- Perform trenching for plumbing rough-in under slabs on a **65,000** sq ft medical office building.
- Operate jackhammers and concrete saws to break out slab for 40 floor drains and cleanouts.
- Receive pallets of block, pipe and fixtures and move them by forklift, about 8 deliveries a week.
- Maintain site cleanup and dumpster loading each shift on a site that passed 2 OSHA visits clean.

Plumber's Helper

07/2024 - 12/2024

Gulf Coast Plumbing Services

Pasadena, TX

Helper for a residential and light commercial plumbing contractor.

- Cut and glued PVC drain lines and staged fittings for 2 plumbers on 25 new homes.
- Delivered and set 15 water heaters and tubs using a dolly and team lifts.
- Loaded the service truck from the next day's job list, saving about 2 supply runs a week.
- Patched drywall and concrete after repairs on 12 service calls.
