

Shawn Mahoney

Construction Safety Manager

📍 Atlanta, GA 📞 (404) 555-0185 ✉️ shawn.mahoney@email.com 🔗 linkedin.com/in/shawnmahoney

SUMMARY

Construction safety manager with 9 years of construction safety experience in commercial construction, covering projects up to \$280M. Writes site safety plans, enforces OSHA construction standards for fall protection, excavation and cranes, and leads incident investigations with root cause analysis. Keeps subcontractors in regulatory compliance and earns trust with clear leadership in the field.

EXPERIENCE

Construction Safety Manager

02/2022 - Present

Peachtree Builders Group

Atlanta, GA

General contractor building offices, hospitals and mixed-use projects in the Southeast.

- Manage safety on **5** active commercial construction projects worth \$600M with 1,200 workers at peak.
- Write site safety plans and review 400 subcontractor safety submittals a year for OSHA construction standards.
- Conduct weekly audits of fall protection, scaffolding and crane lifts, reaching zero lost-time injuries in 2025.
- Investigate incidents with root cause analysis and share lessons with 60 foremen at monthly safety meetings.

Site Safety Coordinator

05/2017 - 01/2022

Chattahoochee Construction

Marietta, GA

Commercial contractor with \$350M in annual volume.

- Covered safety for 3 mid-rise projects at a time with 250 workers each.
- Ran new-worker orientation for 1,500 craft workers a year in English and Spanish.
- Tracked inspection findings in Microsoft Office tools, closing 93% within 48 hours.
- Prepared projects for 4 OSHA site visits that ended with no citations.
