EXPERIENCE

Construction Superintendent 04/2021 - Present
Cumberland Ridge Builders Nashville, TN

General contractor for hotels, multifamily and medical office buildings across Middle Tennessee.

- Run field operations on a **\$65M** 8-story hotel with up to 160 workers and 30 subcontractors on site.
- Plan the master and 3-week scheduling look-ahead in MS Project and turned over the last 2 jobs early.
- Enforce the site safety plan through daily walks and audits, logging 410,000 hours without a lost-time injury.
- Track manpower, daily logs and inspection results in Procore and pass 95% of city inspections the first time.

Assistant Superintendent 03/2017 - 03/2021
Volunteer State Construction Franklin, TN

Mid-size general contractor building schools and office buildings.

- Supervised framing, MEP and finish trades on 3 schools totaling 310,000 sq ft.
- Coordinated 900 deliveries a year and crane picks around 2 occupied campuses.
- Managed punch lists of 2,000+ items in Excel and closed each one before owner occupancy.

Carpenter Foreman 05/2014 - 02/2017
Harpeth Valley Contractors Nashville, TN

Self-perform carpentry and concrete subcontractor.

- Led a 10-person carpentry crew on concrete forms, rough framing and door hardware for 14 commercial jobs.
- Read construction drawings and laid out walls and openings for 260,000 sq ft of office space.
