

# Lucas Ferreira

Contract Analyst     San Diego, CA · (619) 555-0127 · lucas.ferreira@email.com · linkedin.com/in/lucasferreira

## SUMMARY

Contract analyst with 4 years in defense contract management at San Diego electronics firms, now covering 70 Navy and prime-contractor awards worth \$260M. Reviews clauses for FAR and DFARS compliance, tracks funding and deliverables in Oracle and reports status to program managers. Known for practical problem-solving skills and clean, accurate contract files.

## EXPERIENCE

**Contract Analyst** 01/2024 - Present

Coronado Bay Electronics San Diego, CA

*Maker of shipboard radar and communications electronics with 900 employees.*

- Analyze **70** active contracts and purchase orders worth \$260M for funding, delivery and clause compliance.
- Review new awards against FAR and DFARS clauses, including cybersecurity and specialty metals rules, before acceptance.
- Track incremental funding in Oracle and Excel, warning program managers before any contract line reaches 80% spent.
- Present a monthly PowerPoint contract status review to 12 program and finance leads.

**Contracts Coordinator** 07/2022 - 12/2023

Torrey Pines Defense Services San Diego, CA

*Engineering and logistics contractor supporting Navy fleet maintenance.*

- Maintained 400 contract files and modifications in Oracle with no findings in a 2023 government review.
- Compiled CDRL delivery schedules for 25 contracts and held on-time submission at 97%.
- Drafted 30 NDAs and teaming agreements a year from approved templates in Microsoft Office.
- Reconciled contract values against billing records each month, resolving 15 variances worth \$1.2M.
