SUMMARY

Counterintelligence analyst with 8 years in Army counterintelligence and contract CI support. Combines HUMINT reporting, investigative records and all-source intelligence analysis to identify foreign intelligence threats and insider risk. Writes CI assessments and briefs leadership with strong oral and written communication skills. Active TS/SCI clearance with CI polygraph.

EXPERIENCE

Counterintelligence Analyst

04/2024 – Present

Aquia Creek Security Analytics

Quantico, VA

Contractor supporting a Department of Defense counterintelligence directorate.

- Author 18 counterintelligence analysis products a year on foreign intelligence threats to defense programs.
- Analyze HUMINT and investigative reporting to link 9 suspected collection attempts to one foreign service.
- Present CI threat briefings to 1,200 cleared staff and program leads across 6 sites.
- Coordinate with 4 law enforcement and security partners on shared leads and deconfliction.

Counterintelligence Analyst

06/2022 – 03/2024

Rappahannock Mission Services

Fort Belvoir, VA

Small business providing CI and insider threat analysts.

- Researched 150 insider threat referrals in intelligence research databases and user activity logs.
- Built link charts of contacts and travel for 20 cases, cutting analyst review time by a third.
- Drafted case summaries in Microsoft Office for investigators and legal reviewers.
- Tracked case milestones in a shared tracker used by 12 analysts.

Counterintelligence Special Agent (35L)

06/2018 – 05/2022

U.S. Army

Fort Meade, MD

Army CI agent conducting investigations and threat assessments.

- Conducted 40 counterintelligence investigations and screening interviews under Army regulations and legal review.
- Wrote 60 investigative reports reviewed by the field office with no returns for format or sourcing.
- Delivered threat awareness and reporting training to 3,000 soldiers and civilians across 5 installations.
