EXPERIENCE

Crane Operator

05/2022 - Present

Gulf Coast Crane & Rigging

Houston, TX

Operate rental cranes for petrochemical, commercial and industrial customers.

- Operate 50- to 110-ton hydraulic truck cranes and rough terrain cranes on **150+** lifts a month.
- Build lift plans from load charts for every pick, including 12 critical lifts above 75% of capacity in 2025.
- Conduct daily crane inspections and monthly documented checks, staying in full compliance with OSHA regulations.
- Coordinate with riggers and signal persons by radio on blind picks inside operating plants.

Oiler and Rigger

08/2019 - 04/2022

Bayou City Steel Erectors

Pasadena, TX

Crane crew member for a steel erection and equipment setting contractor.

- Rigged steel beams, tanks and equipment with slings, shackles and spreader bars on 30+ projects.
- Assembled lattice boom crawler cranes with the operator, including up to 200 feet of boom sections.
- Signaled lifts as a qualified signal person on 2 refinery turnarounds.
- Diagnosed hydraulic leaks and electrical faults on site, troubleshooting mechanical problems before calling the shop.
