SKILLS

- Cytology specimen analysis
- Molecular diagnostics
- Microscopy
- Cellular pathology
- Machine learning
- Leadership
- Communication
- Teamwork

EDUCATION

Doctor of Medicine
(M.D.)

Aug 2010 - May 2014

New York University School
of Medicine

New York, USA

Pathology 3.8/4.0

LANGUAGES

English Native

CERTIFICATES

Cytopathology Board
Certification

Jun 2015

American Board of
Pathology

SUMMARY

Highly skilled and experienced Cytopathologist with a strong background in cytology specimen analysis, molecular diagnostics, and cellular pathology. Proven track record of improving diagnostic accuracy, reducing errors, and increasing lab efficiency. Strong leadership and communication skills, with experience in teaching and training residents and fellows.

EXPERIENCE

Senior Cytopathologist Jul 2018 - Present

New York Presbyterian Hospital New York, USA

Senior Cytopathologist

- Analyzed 10,000+ cytology specimens per year, resulting in a 25% increase in diagnostic accuracy
- Implemented a new quality control program, reducing errors by 30% and increasing lab efficiency by 20%
- Collaborated with clinicians to develop and implement personalized treatment plans, resulting in a 15% improvement in patient outcomes

Cytopathologist Jun 2015 - Jun 2018

Memorial Sloan Kettering Cancer Center New York, USA

Cytopathologist

- Examined 5,000+ cytology specimens per year, with a 95% accuracy rate
- Developed and taught a cytology training program for residents and fellows, resulting in a 25% increase in trainee competency
- Participated in multi-disciplinary tumor boards, providing critical diagnostic input and contributing to a 10% increase in patient survival rates

PROJECTS

Cytology AI Project Jan 2020 - Dec 2020

Lead Cytopathologist

Development of a machine learning-based algorithm for cytology specimen analysis

Python • TensorFlow • Scikit-learn
