Summary

Daycare Teacher with 4 years in early childhood classrooms, now teaching a room of 14 three- and four-year-olds. Handles lesson planning from the state early learning guidelines, keeps a predictable day through strong time management and talks with families in English and Spanish. Brings a calm approach to classroom management and current Pediatric CPR and First Aid.

Experience

03/2024 - Present
Albuquerque, NM

Daycare Teacher

Sandia Sunshine Child Care

Family-owned licensed center with 70 children ages 2 to 5.

- Teach a mixed-age room of **14** children, planning themes, learning centers and outdoor play each week.
- Run a visual daily schedule that keeps meals, naps and outdoor time on track 5 days a week.
- Track child development progress against early learning guidelines checklists for 2 family conferences a year.
- Mentor 2 new aides on ratios, classroom management and handwashing routines during their first month.

08/2022 - 02/2024
Albuquerque, NM

Teacher Aide

Valle Bonito Early Childhood Center

Nonprofit preschool program serving 96 children from low-income families.

- Supported a lead teacher with 16 preschoolers and ran small-group instruction for 5 children at a time.
- Organized 3 family nights for 40 families with crafts and a bilingual story time.
- Translated notices and daily reports into Spanish for 7 families each week.
- Led circle time for 16 children twice a day with songs and picture books in 2 languages.
