EXPERIENCE

Demolition Worker 04/2025 - Present

Keystone Interior Demolition Philadelphia, PA

Crew member for a selective and interior demolition contractor working in occupied buildings.

- Perform demolition of ceilings, drywall and flooring on **3** office floors a month ahead of fit-out crews.
- Operate jackhammers and demo saws to break out slabs and cut openings for new plumbing.
- Cut steel beams and decking by oxy-acetylene torch under a hot-work permit with a fire watch.
- Process debris for recycling, sorting concrete, metal and wood to keep 75% out of landfill.

Demolition Laborer 06/2024 - 03/2025

Liberty Hauling & Cleanouts Philadelphia, PA

Laborer for a junk removal and light demolition company.

- Demolished sheds, decks and garages on 25 residential jobs with hand and power tools.
- Loaded dumpsters and 20-yard trucks with the debris removal crew, averaging 4 loads a day.
- Removed cabinets, fixtures and flooring from 12 row home cleanouts ahead of renovation.
- Protected floors and shared party walls with plastic and plywood, with zero damage complaints.
