Summary

Detail technician with 4 years reconditioning dealership and fleet vehicles in Denver, averaging 9 vehicles a day. Works on her own through compounding, interior extraction and engine bay detailing, and meets recon deadlines set by sales and service managers. Trains new hires on chemical dilution and safety data sheets.

Experience

Detail Technician 05/2024 - Present

Front Range Auto Reconditioning Denver, CO

Reconditioning center serving 3 dealerships with about 400 used vehicles a month.

- Deliver 9 reconditioned vehicles a day on a 6-person crew that cut average recon time from 3.5 to 2.5 days.
- Perform compounding and polishing on oxidized paint, saving 20+ cars a month from a body shop repaint.
- Achieve a 98% first-time quality pass rate using hot-water interior extraction and attention to detail.
- Train new technicians on chemical dilution ratios and safety data sheets, onboarding 5 hires in 2025.

Fleet Detailer 08/2022 - 04/2024

Peak Fleet Services Aurora, CO

Fleet cleaning contractor for rental and corporate car fleets at the airport.

- Turned 30+ rental returns a shift with exterior washing, vacuuming and glass cleaning.
- Inspected each car for damage and lost items, logging findings in the fleet tablet app.
- Detailed wheels and engine bays on premium units, keeping that line 100% rent-ready on weekends.
- Prepared chemical and towel carts for 4 wash bays before each shift, so no crew waited on supplies at the 6 a.m. start.
