CERTIFICATES

Certified Supply Chain Professional (CSCP)

ASCM / APICS • 08/2015

EXPERIENCE

Director of Supply Chain

Lone Star Pantry Foods • Dallas, TX • 01/2022 - Present

Maker of sauces and packaged meals with 4 plants and 3 distribution centers.

- Lead procurement, planning, logistics and warehousing teams totaling **85** people.
- Cut total delivered cost by $14M over 3 years through supplier consolidation and freight bids.
- Build a supplier management program covering 120 key vendors with quarterly business reviews.
- Raise customer case fill rate from 93% to 98.5% while lowering inventory days from 52 to 38.
- Direct an ERP systems upgrade to SAP S/4HANA across 4 plants, delivered under its $6M budget.

Senior Manager, Supply Chain Planning

Red River Consumer Brands • Irving, TX • 03/2017 - 12/2021

Household cleaning products company with $450M in annual sales.

- Managed demand and supply planning for 1,400 SKUs with a team of 12 planners.
- Launched a monthly S&OP process that improved forecast accuracy from 61% to 77%.
- Negotiated 3-year co-packer agreements that added 20% capacity without new capital.
- Reduced obsolete inventory write-offs by $3M through SKU rationalization with marketing.

Supply Chain Manager

Brazos Valley Packaging • Fort Worth, TX • 06/2012 - 02/2017

Flexible packaging converter serving food brands across the Southwest.

- Ran purchasing and production planning for a 2-shift plant with $120M in sales.
- Lowered inbound freight cost by 18% by moving to a dedicated carrier program.
- Implemented MRP in the ERP, cutting raw material stockouts from 30 a month to 4.
