SUMMARY

Drain Technician with 19 months of home and restaurant drain cleaning, hydro jetting and sewer camera inspections across the Phoenix metro. Runs cable machines and locators working independently on 5 calls a day, explains findings at the door, and holds a valid driver license with a clean record. Strong mechanical aptitude from 2 years of irrigation repair.

EDUCATION

High School Diploma 05/2023

Mesa High School Mesa, AZ

EXPERIENCE

Drain Technician 03/2025 - Present

Desert Flow Plumbing & Rooter Phoenix, AZ

Residential and light commercial drain and sewer company running 11 service vans in the Phoenix metro.

- Completed **1,150** drain cleaning calls on kitchen, laundry and main sewer lines with sectional and cable machines.
- Performed camera inspections on 320 sewer lines, saving video and notes for customers and estimators.
- Operated hydro jetting equipment at 4,000 psi to clear grease and roots from 140 restaurant and home lines.
- Found broken lines with a transmitter and receiver, marking 85 dig spots for the excavation crew.

Landscape Crew Member 05/2023 - 02/2025

Sonoran Yardworks Mesa, AZ

Landscape maintenance company serving 300 HOA and residential properties.

- Repaired drip and sprinkler systems on **40** properties a week, replacing valves, emitters and PVC lines.
- Covered a solo route of 25 HOA sites, working independently with a weekly check-in from the supervisor.
- Operated trenchers, mowers and walk-behind equipment on daily routes with zero recordable injuries in 21 months.
- Trained 3 new crew members on irrigation repairs, route order and customer service with property managers.
