Experience

Engineering Supervisor

02/2021 - Present

Camelback Resort & Conference Center

Scottsdale, AZ

740-room resort with 90,000 sq ft of meeting space.

- Direct **14** engineers and technicians across three shifts covering HVAC, electrical, plumbing and pool systems.
- Cut guest room maintenance tickets 28% by moving 1,100 preventive tasks into the work order system.
- Managed a $1.4M chiller replacement project, finishing 2 weeks early with no meeting-room closures.
- Analyze labor, parts and utility costs in Excel, finding $62K in yearly water savings from plumbing retrofits.

Lead Maintenance Technician

05/2016 - 01/2021

Desert Valley Medical Center

Phoenix, AZ

Acute-care hospital with 310 beds and 12 operating rooms.

- Led a **5**-person shift crew maintaining air handlers, boilers and emergency generators.
- Diagnosed controls and electrical faults on 40 rooftop units, keeping operating rooms within temperature spec 99.8% of hours.
- Completed carpentry and drywall repairs for 18 patient room renovations ahead of state inspections.
- Wrote 220 preventive maintenance procedures used during the hospital's Joint Commission survey.

HVAC Technician

06/2013 - 04/2016

Sonoran Mechanical Services

Tempe, AZ

Commercial HVAC contractor serving office and retail buildings.

- Repaired and serviced 6 to 8 commercial HVAC units per day across **120** customer buildings.
- Installed ductwork and controls on 25 tenant improvement projects for retail and office clients.
- Earned a 97% first-visit fix rate through careful troubleshooting and thorough service notes.

Certificates

EPA Section 608 Universal Certification
