Carlos Rivera

Entry-Level Roofer

San Antonio, TX · (555) 203-4817 · carlos.rivera@email.com · linkedin.com/in/carlosriveraroofer

SUMMARY

Dependable entry-level roofer with 1 year of hands-on experience in residential shingle installation, tear-offs, and underlayment application. OSHA 10 certified and trained in fall protection. Eager to grow skills under a licensed roofing contractor and contribute to a safe, productive crew.

EXPERIENCE

Roofing Laborer

Beacon Roofing Supply (Contractor Crew) · Jun 2023 - Present

San Antonio, TX

Assist experienced roofers on residential re-roofing and new construction projects across the greater San Antonio area.

- Completed 40+ residential shingle installations under supervision, maintaining zero defect rate on all inspected work
- Assisted in loading and staging materials for 15+ roofing crews, handling up to 3 tons of shingles per day safely
- Maintained OSHA-compliant fall protection setup on 100% of job sites, completing each morning safety checklist without exception
- Supported senior roofers in tearing off and replacing 120+ squares of damaged shingles over 8 months
- Earned crew lead commendation for punctuality and worksite cleanup standards

Construction Laborer

Lone Star General Contractors · Jan 2023 - May 2023 · Austin, TX

General construction labor on residential framing and exterior finishing projects.

- Assisted carpenters with framing, sheathing, and exterior insulation on 6 residential builds
- Operated hand tools and maintained a zero-incident safety record across 5 months
