SUMMARY

Equipment operator with 1.5 years on a county road crew and 2 years of forklift work in a building supply yard. Runs dump trucks, a backhoe, a skid steer and a snowplow with a Class B CDL, and follows traffic regulations and work zone rules on every job. Dependable for early call-outs and storm shifts.

EXPERIENCE

Equipment Operator I

04/2025 - Present

Westbrook County Road Department

Lawrence, KS

Run trucks and light equipment for a county crew maintaining 380 miles of roads.

- Operate dump trucks, a backhoe and a skid steer on pothole, culvert and shoulder repair across **380** road miles.
- Drive a plow truck on a 42-mile snow route, following traffic regulations and the salt rates set by the supervisor.
- Complete pre-trip inspections on 6 motorized equipment units and report defects to the shop the same shift.
- Repair about 1,200 potholes a season with cold mix and hot asphalt alongside a 4-person crew.

Yard Associate

06/2023 - 03/2025

Kaw River Building Supply

Lawrence, KS

Yard and warehouse work at a lumber and building materials store.

- Operated a forklift to load 30+ contractor orders a day of lumber, drywall and roofing.
- Delivered customer service at the yard gate, checking tickets and loading pickups safely.
- Performed manual labor sorting and stacking returns, keeping 2 yard aisles clear for delivery trucks.
- Recorded daily forklift checks with no safety incidents across 21 months.
