

Cody Barnhart

Exclusion Technician Kansas City, MO · (816) 555-0177 · cody.barnhart@email.com · linkedin.com/in/codybarnhart

SUMMARY

Exclusion technician with 4 years sealing homes and commercial buildings against rodents, bats and wildlife in the Kansas City area. Completes 2-3 full exclusion jobs a day, from roofline and foundation inspection to hardware cloth, sealant application and one-way doors. Follows ladder safety rules at height and keeps callbacks under 3%.

EXPERIENCE

Exclusion Technician 02/2024 - Present

Heartland Wildlife & Exclusion Kansas City, MO

Exclusion and wildlife crew for a pest company serving both sides of the state line.

- Secure **2-3** homes a day against mice, rats and squirrels with hardware cloth, sealant and door sweeps.
- Survey rooflines, vents, soffits and foundations from 28-foot and 40-foot ladders under fall protection rules.
- Install one-way doors for about 25 bat exclusion jobs a season, timed around the maternity window.
- Document every entry point and repair with photos for the 1-year warranty, keeping callbacks under 3%.

Pest Control Technician 05/2022 - 01/2024

Blue Valley Pest Control Overland Park, KS

Residential route technician in Johnson County.

- Serviced 14 homes a day on general pest control and rodent control plans.
- Found entry points on 120+ rodent jobs and referred them for rodent exclusion, adding \$40,000 in sales.
- Removed contaminated attic insulation on 15 jobs using a respirator and full protective gear.
- Maintained the company truck, ladders and power tools and passed every monthly safety check.

Roofing Laborer 04/2020 - 04/2022

Plaza Roofing & Gutter Kansas City, MO

Residential roofing and gutter crew member.

- Replaced shingles on 80+ homes, working safely on steep pitches with harnesses.
- Hung and repaired gutters and fascia, learning the roofline gaps wildlife uses.
- Carried 70-pound shingle bundles up ladders and kept the job site clear for a 5-person crew.
