Experience

Faculty Research Assistant

Chesapeake University School of Public Health

Baltimore, MD

07/2025 - Present

Full-time research staff in a faculty-led behavioral health lab.

- Recruit and consent participants for a **240-person** longitudinal study, meeting monthly enrollment targets.
- Manage study records in REDCap with weekly quality checks, cutting missing data from 9% to 3%.
- Analyze survey and wearable sleep data in R, producing tables and figures for 2 manuscripts under review.
- Draft 4 IRB protocol amendments and the annual continuing review, all approved on first submission.

Research Intern

Patapsco Behavioral Health Institute • Columbia, MD

06/2024 - 08/2024

Summer internship on a community mental health program evaluation.

- Entered and verified **1,100** survey records from Qualtrics and Excel for a county program evaluation.
- Coded open-ended interview responses with a shared codebook, reaching 0.85 inter-rater agreement.
- Summarized 30 articles on adolescent anxiety into a literature review for the project lead.
- Prepared consent packets and visit schedules for 45 in-person focus group participants.
