EXPERIENCE

Family Medicine Physician
08/2023 - Present

Treasure Valley Family Health
Boise, ID

Physician-owned group of 5 family medicine clinics.

- Manage a panel of **1,800** patients from newborns to age 90+, seeing about 20 patients a day.
- Deliver prenatal care to 60 patients a year and share labor and delivery call for 25 births a year.
- Perform 30 office procedures a month, including IUD placement, skin biopsies and joint injections.
- Raised well-child visit completion for ages 0 to 2 from 70% to 86% using recall lists and text reminders in Epic.

Family Medicine Resident
07/2020 - 06/2023

Gem State Family Medicine Residency
Pocatello, ID

Rural-track family medicine residency.

- Managed adult and pediatric inpatients on a 12-patient family medicine service.
- Logged 80 vaginal deliveries and 25 cesarean first-assists during obstetrics rotations.
- Led a quality improvement project that raised clinic depression screening from 52% to 81%.
- Staffed a rural emergency department 4 shifts a month in the final year.
