- **Hay Baling**
- **Fence Repair**
- **Equipment Maintenance**
- **Animal Health**
- **Communication Skills**
- **Work Independently**

EXPERIENCE

Farm Hand 04/2025 - Present

Conestoga Creek Dairy Lancaster, PA

Family dairy milking 180 Holsteins with 250 acres of corn and hay.

- Run milking equipment for the 4 a.m. milking of **180** cows, sanitizing the parlor and bulk tank lines after each shift.
- Measure and deliver feed rations twice daily and keep water troughs clean for the milking herd and 60 heifers.
- Report animal health concerns such as lameness and low intake to the herd manager, catching 12 cases early last year.
- Operate a tractor and hay baler to put up about 3,500 small square bales across 3 summer cuttings.

Seasonal Farm Helper 05/2024 - 03/2025

Brubaker Family Farm Strasburg, PA

Mixed beef cattle and produce farm with a roadside stand.

- Built and fixed about 1.5 miles of woven wire and electric fence for rotational grazing paddocks.
- Greased, washed and checked fluids on 4 tractors and 2 mowers under a weekly equipment maintenance schedule.
- Loaded produce for the farm stand and filled about 50 customer orders each weekend in the busy fall season.

EDUCATION

High School Diploma 06/2024

Penn Manor High School Millersville, PA
