Devin Okafor

Finance Business Partner

Finance business partner with 6 years in FP&A for manufacturing and logistics companies. Builds forecasting and financial modeling tools in Excel and SAP, then turns them into PowerPoint reviews that plant and supply chain leaders act on. Supports a $310M business with monthly financial analysis and capital spending decisions.

Experience

Finance Business Partner

04/2023 - Present

Carolina Packaging Systems

Charlotte, NC

Finance partner to the operations and supply chain leaders of a $310M packaging manufacturer.

- Partner with 2 operations VPs on a $46M cost budget and monthly rolling forecasting for 4 plants.
- Built a financial modeling case for a **$12M** automation line that the board approved at a 3-year payback.
- Present monthly results in PowerPoint to the supply chain leadership team, with variance drivers by plant.
- Automate SAP and SQL data pulls into Power BI dashboards, saving analysts 20 hours per month.

FP&A Analyst

06/2020 - 03/2023

Lakeshore Logistics Group

Charlotte, NC

Financial planning and analysis for a regional freight carrier with 900 trucks.

- Prepared monthly financial analysis for 12 terminals, explaining fuel and labor variances to terminal managers.
- Rebuilt the annual budget model in Excel, cutting the planning cycle from 10 weeks to 6.
- Wrote SQL queries against the dispatch database to track revenue per mile across 40 lanes.
- Supported pricing reviews for 25 key shippers, which lifted contract margins by 2 points.
