EXPERIENCE

Emergency Medical Technician

07/2025 - Present

Trinity Ambulance Service

Fort Worth, TX

Full-time EMT on a 911 transport unit covering 4 cities in Tarrant County.

- Respond to about **12** emergency calls per 24-hour shift, from cardiac arrests to vehicle crashes and falls.
- Perform patient assessment, CPR, bleeding control and splinting, then hand off clear reports to ER staff.
- Document every call in the ePCR system before the next dispatch, holding a 98% QA pass rate.
- Maintain the ambulance, oxygen and medical supplies through daily checks, with zero failed county inspections.

Fire Academy Recruit

08/2024 - 05/2025

Tarrant County College Fire Service Training Center

Fort Worth, TX

640-hour state-certified basic fire academy completed as part of an associate degree.

- Completed live-fire, hose line, ladder and ventilation training, finishing **3rd** of 28 recruits.
- Performed forced entry, search and rescue drills in full SCBA in the burn tower under timed conditions.
- Operated pumps, foam lines and hydrants during 12 live-fire evolutions on a 4-person crew.
- Passed hazardous materials operations and NIMS ICS-100, 200 and 700 coursework with scores above 90%.
