Functional Lead

03/2022 - Present

Sonoran Supply Chain Advisors

Phoenix, AZ

SAP partner running S/4HANA programs for distributors in the Southwest.

- Lead **9** functional consultants across MM, SD and EWM on a 2-year SAP S/4HANA program.
- Facilitate 60 fit-to-standard workshops and sign off 140 design documents with process owners.
- Direct inventory and warehouse design for 6 distribution centers, holding cutover downtime to 36 hours.
- Triage hypercare tickets in ServiceNow with the support manager, closing 95% within agreed SLAs.

Senior SAP Functional Consultant

01/2018 - 02/2022

Desert Peak Industries

Tempe, AZ

Building products manufacturer with 8 plants on SAP ECC.

- Owned SAP MM and inventory configuration for **8** plants and coached 3 junior consultants.
- Wrote SQL checks against reporting extracts proving migrated stock values matched within 0.1%.
- Cleared 3,200 aged purchase requisition lines by redesigning the release strategy.
- Prepared Excel cost-benefit models that won budget for the S/4HANA readiness assessment.

SAP MM Consultant

06/2015 - 12/2017

Copperstate Consulting

Phoenix, AZ

Boutique SAP consultancy serving mid-size manufacturers.

- Configured purchasing and invoice verification for **4** clients on SAP ECC.
- Delivered end-user training to 200 buyers and wrote the training documentation for each client.
- Resolved 35 post-go-live tickets a month during two hypercare periods.
