Experience

General Construction Worker

Harpeth Valley Homes — Franklin, TN — 06/2024 - Present

Crew member for a builder finishing about 40 custom and semi-custom homes a year.

- Build walls, floor systems and roof sheathing with a 4-person framing crew, finishing a **3,000** sq ft shell in 9 days.
- Hang and tape drywall in additions and basements, averaging 120 sheets a week.
- Set forms and handle concrete finishing on driveways, porches and garage slabs for 25 homes.
- Apply blueprint reading and a tape measure to check layout before cutting, keeping lumber rework under 2%.

Construction Helper

Music City Remodeling — Nashville, TN — 10/2023 - 05/2024

Helper for a kitchen, bath and basement remodeling contractor.

- Demolished kitchens and baths in 35 occupied homes, protecting floors and hauling debris to the dumpster.
- Painted walls, trim and doors on 20 remodel jobs with no touch-up callbacks.
- Erected and moved scaffolding for exterior siding work on 8 two-story homes.
- Organized the trailer and tools so the crew started work within 15 minutes of arrival.
