SUMMARY

General laborer with 2 years on commercial construction and warehouse crews in central Ohio, covering material handling, loading and unloading, and daily site cleanup. Runs hand tools and power tools, operates a forklift and pallet jack, and follows safety procedures on every shift. Holds OSHA 10, a valid driver's license and lifts 50 pounds all day.

EXPERIENCE

General Laborer 03/2025 - Present
Buckeye Ridge Builders Columbus, OH

- Laborer for a 60-person commercial general contractor building retail and office shells.*
- Receive and stage lumber, drywall and steel deliveries, averaging **12** trucks a week on a 40,000 sq ft retail build.
 - Operate a forklift and pallet jack to move materials around the site, with zero damage claims in 18 months.
 - Cut, drill and fasten with hand tools and power tools for the carpenters, setting more than 300 door frames.
 - Sweep debris and sort scrap at the end of each day, part of a site that passed 6 safety walk-throughs.

Warehouse Associate 06/2024 - 02/2025
Scioto Valley Building Supply Grove City, OH

- Full-time warehouse role at a regional building-supply distribution yard.*
- Picked and wrapped 150 contractor orders per shift with 99.6% accuracy on weekly audits.
 - Loaded flatbeds and box trucks by the bill of lading, strapping block, mortar and shingle pallets to spec.
 - Earned forklift certification within 2 months of hire and moved stock across 3 storage yards.
 - Reported damaged stock and blocked aisles to the shift lead, with attention to detail that cut write-offs 20%.
