### EXPERIENCE

**Grocery Stocker** 06/2025 - Present

Alamo Fresh Market San Antonio, TX

*Full-service supermarket with 30 aisles, 3 grocery trucks a week and about 2,000 shoppers a day.*

- Process 800-1,000 cases per truck night across 6 center-store aisles, breaking down pallets with a pallet jack.
- Maintain FIFO stock rotation on canned, dry and dairy goods, cutting out-of-date write-offs **20%** in 6 months.
- Run out-of-stock scanning each morning with a handheld scanner, flagging 50+ empty spots a day for the order writer.
- Build 4 endcap displays a week for the weekly ad, setting price signs and product to the store's planogram.

**Courtesy Clerk (Part-Time)** 08/2023 - 05/2025

Westside Neighborhood Grocery San Antonio, TX

*Independent grocery store serving about 1,200 shoppers a day on the city's west side.*

- Packed 300+ customer orders a shift, separating cold, raw and fragile items under food safety rules.
- Located items for 20+ shoppers a shift and walked them to the right aisle with friendly customer service.
- Completed date code checks on bread and dairy twice a shift, pulling short-dated items for markdown.
- Retrieved 200+ carts a shift from the parking lot in Texas heat while keeping the entrance clear.
